Chocolate World is in Hershey, Pennsylvania.

Chocolate World is a place where I could learn more about Hershey’s chocolate.

I am going to Chocolate World with _______________________________.

(insert names/images of those also going)

I am going to Chocolate World because it is fun to learn more about Hershey’s chocolate. I am going to Chocolate World because there are things I like to do. When I am at Chocolate World, I will see a lot of different things. I will see a lot of people.

Some of the people are visiting like me.

Some of the people work there.

I might see some of the Hershey’s Characters.

I will see different kinds of lighting. Some rooms will be really bright.

Some rooms will be dark.

I might also see colored lights. It is ok that not all the lights are the same. When I am at Chocolate World, I will hear a lot of different things like people talking, babies crying and kids yelling.
It will be noisy because of all of the people that are visiting.

When I am at Chocolate World, I will smell chocolate.

I will also smell other kinds of food like cookies, candy and pizza.

Some of the food will be available for me to eat, and some of the food will not be available for me to eat.

When I am at Chocolate World, there will be a lot of things to touch, like railings, chairs, souvenirs, and food.

There will be things that are not ok for me to touch. I can ask ________________________________ if it is ok to touch something.

I stay safe when I follow the rules. Because it is crowded at Chocolate World, I might feel some people accidentally bump into me. If someone accidentally bumps into me, I could say ‘excuse me’.

When I am at Chocolate World, I could do a lot of things. I could walk around. I could sit down.

I could go to a movie. I could go on a ride.

I could make my own candy bar. I could eat.

Some things at Chocolate World cost money and some do not.
I could pay to make my own candy bar or see a movie.

I could also pay for food and souvenirs.

I do not have to pay for the tour ride.

I will get to Chocolate World around _______________________________ and leave around _______________________________ .
